### LOOKING FOR GARDENING VOLUNTEERS

Mrs. Delissio worked with first graders to plant seeds in starter pots in the Science Lab. Directions say they are to be planted pot and all outdoors after the last frost. She is looking for someone to assess the progress and see if/when the plants are ready to be replanted in larger pots or into our outdoor garden boxes. Going forward we will also need parent volunteers to maintain our HPS garden. Please contact Mrs. Delissio if you are interested in helping out - [b37sdeli@mpspride.org](mailto:b37sdeli@mpspride.org) 860 647-3337 ext.70268

### Box Tops

Box Tops are an easy way to raise money for HPS! Just clip the Box Tops that you see on any products you purchase and send them in to the PTA in an envelope marked "Box Tops". Each Box Top is worth 10 cents - the more we send in, the more money we earn!

Fourth-graders in Elizabeth Tamsin's class at Martin School were ready when asked to name different kinds of trees.

"Birch," said one.

"Elm" said another.

When yet another student said "dogwood," Thomas Degnan laughed and jokingly asked the boy if he had inside information. Please read more by following the link below:
